Kids' Chance of Mississippi

Dear business leaders and friends:

When a parent is seriously injured or killed on the job, a family's future can change overnight. The financial strain can force a student to put educational plans aside. Kids' Chance of Mississippi helps keep those plans within reach through educational scholarships. Our golf tournament at Reunion supports young people who have suffered a tremendous loss navigate plans and dreams that deserve the chance to become reality.

To every golfer, sponsor, and volunteer: **THANK YOU** for giving Mississippi students a chance to build the futures they have imagined. Your support sends a message that matters: their goals are still worth pursuing, and they have a community behind them.

We hope to see you on the course!
